

Monday and Tuesday Groups

We started in September with our Autumn topic joining in with the Scarecrow theme we watched Dingle Dangle Scarecrow on YouTube and then made our own Popsicle scarecrows out of lollipop sticks and stick pin Scarecrows which everyone enjoyed.

We also did some counting and ordering activities using the Autumnal theme and made a Tea light Jar decorated in Autumn colours.

Along with Jackie and Gill's group we joined in making Poppies out of clay and watched how they may they made the poppies for the Tower of London display in 2014. We also may some soldier silhouette pictures that were really effective.

It was then time to start thinking about Halloween and Bonfire night. We created our own Bonfire pictures and recreated the story, Sparks in the Sky by Twinkl. Using Sequencing cards, we put the story in the order we watched it.

And before we knew it Christmas was creeping up on us, we watched the meaning of Advent and started our own Advent wreath, then we made our own Advent Calenders and making lots of Christmas Crafts whilst listening to Christmas Music.

A Message from Trinity House

The bubble at Trinity House have been enjoying setting up the new equipment and having a tour around the house. They have been joining in Zoom enjoying the Bake-Off sessions and the Funky Fitness, continuing making Paper Mache masks, using Meccano to make Robots, completing puzzles and going for lovely walks when weather permits.

Christmas Shout Outs

Elf Week

We would like to thank everyone for taking part in Elf Week, lots of fun was had by all. We managed to raise a fantastic £74 in aid of Alzheimer's.

5 Christmas Fun Facts

Our Sunflower competition Remember those hot sunny days of summer? Well several students planted and managed to grow their sunflower seeds and we had some fantastic photos from Richard, Jonathan, Kay, Sam and Anne Marie. Adam flower was also transplanted in to the garden at 2B and all the seed heads that we put out got eaten overnight! The winner for his amazing sunflower is RICHARD! It grew to over 8 feet tall ! A small prize has been sent to Richard so very well done to him and to everyone who took part. Jackie S

Well done to Tash for winning 'Name the Scarecrow', his new name is Strawman Dan. We will get a sign put up on the fence with his new name and Tash's name underneath.

Gill

Is anyone interested in walking? Gary is thinking of starting a Walking Group at Trinity Skills, a group of similar ability students to do a walk on a weekly or monthly basis. A regular walking group would have positive benefits for its participants both physically and mentally and would be a definite asset to the curriculum at Trinity Skills. If you think this is something that your young person maybe interested in then please contact the office for more information.
